Before there was reality tv, we produce a thirty minute reality series, "Stanley T. In Da House" airing on Fox affiliates around the country for two seasons. The show features celebrity guests such as Queen Latifah, Boyz II Men and Chris Rock.

In partnership with NHK Japan, we produce and direct a series of multi-camera HD concerts. Artists include James Taylor, Cheap Trick, Christina Aguilera and Mary J. Blige.

# 2014

Based on the ongoing success of the web design division, it is decided to spin it off into its own separate entity.

[Brooklyn Design Studio](#) is born. Its focus is high-end web and mobile development and related services.

[Brooklyn Design Studio](#) expands and opens an office in Las Vegas, Nevada.

# 2017

# 2018

WILLiFEST is converted into an online-only competition and its name is changed to the [Williamsburg International Film and Music Competition](#) to reflect this change.
